Are we ready?

Your score:

A score of 12 - 20

It looks like you need to undertake further research and find the answers to the key questions of who the course is for, will they pay for training, what is the industry need, is there industry support for the course and is it necessary to get the course accredited?

A score of 21-29

It looks like you have a good understanding of the requirements but would benefit from more information and answers to a few questions.

A score of 30 - 36

Well done! It looks like you are just about ready to apply. Let us know if you need any assistance in preparing your application.

For further information regarding existing nationally recognised qualifications go to www.training.gov.au
